

BOARDWALK

Fossilized® Engineered Bamboo Flooring

Bring a touch of the seashore to your home with Boardwalk Fossilized® engineered hardwood floors. A silver driftwood color conjures memories of salt air and sun-warmed sand -- making every room an escape. Planks are lightly distressed as if by the elements, but with a scratch resistant finish and off-the-chart Janka hardness score, Boardwalk Fossilized engineered flooring is made to stand the test of time. Among a sea of grey flooring options, Boardwalk promises the most unique and natural luxury.
