

SLATE

BamDeck® 4G Wide Composite Decking

Cool, but never cold, Slate BamDeck composite decking is colored in a perfect granite gray -- the ultimate in contemporary design. Sleek, silvery planks are understated enough to work with any style, but still have the ability to uplift the entire outdoor vibe. Extra wide planks make installations go even faster and decks look more modern and expansive. Extend your life outdoors with a synthetic wood deck that does your home and your planet proud.
